

# ASME Plant Engineering, Inspection and Maintenance Trade Show

Pasadena Convention Center – 7902 Fairmont Parkway

**April 19, 2012**

The **ASME Plant Engineering & Maintenance Technical Chapter** invites you to display your products and services in the **10th Annual Engineering, Inspection and Maintenance Trade Show** at the Pasadena Convention Center in Pasadena, Texas.

The show will be from **10:00 am until 5:00 pm on Thursday, April 19, 2012.**

Proceeds from this event will go toward ASME South Texas Section University Scholarships. We believe this show will attract many professionals from the plants along the Ship Channel and the Gulf Coast due to the uniqueness of offering a trade show geared towards **all aspects of engineering, inspection and maintenance of refinery/petrochemical fixed and rotating equipment.**

Please see the Exhibit Booth Registration Form and floor plan for more details on our booth spaces. The booth fee will cover the lunch tickets and adult beverage tickets for all attendees. The Trade Show is free to all attendees. **Booths will be assigned on a first-come, first-served basis in the order in which checks are received.** (Gold Sponsors first, Silver Sponsors second, regular sponsors next.) To help achieve higher attendance, we are asking that the exhibitors pass out the ASME PEM Trade Show postcards to their customers (included in the booth cost) that will be available in late January or early February. There will be a registration booth for the attendees and name badges will be issued. Attendee's contact information will be obtained (with their permission) and the information given to you for your use. **Inside booths are \$850.**

Move in and set-up of larger displays will be Wednesday, April 18, 2012 from 1:00 pm until 5:00 pm. Smaller displays may be set-up Thursday, April 19, from 7:00 am to 10:00 am. All exhibits are to be removed from the Convention Center beginning at 5:00 pm on Thursday.

Our event decorator, Phoenix Design (281-499-0600), can assist with your set-up should you require additional services. Refer to their services/prices information sheet, which will be provided at later date. **Again, this year there will be an opportunity for the presentation of technical papers.** Since there be a limited number of presentations (14 total), those wishing to make a presentation should send an abstract, bio, and presentation draft to Clint Britt by February 13, 2012. The ASME PEM Trade Show Steering Committee will select the final presenters. The presentations should be non-commercial per the ASME PEM Speaker Guidelines (provided upon request).

Complete the Registration Form as a Word document and email to: [clint.britt@stress.com](mailto:clint.britt@stress.com) or fax to 281-955-2638. Please include a copy of your registration form with your payment.

In addition to helping us by purchasing display space, please consider the following sponsorship opportunities:

- **GOLD SCHOLARSHIP SPONSOR** – Available at \$2,000 each  
Sponsorship donation includes one booth, a good location, and:
  - Special recognition in the Trade Show Program and the event announcement flyer
  - Name/logo on sponsor banner near the Lunch or Beverage serving area
  - Periodic announcements of appreciation over PA system
- **SILVER SCHOLARSHIP SPONSOR** – Available at \$1,500 each  
Sponsorship donation includes one booth, a good location, and:
  - Special recognition in the Trade Show Program and the event announcement flyer
  - Name/logo on sponsor banner near show entrance
  - Periodic announcements of appreciation over PA system

If you have any questions, please feel free to contact any of the Trade Show Committee Members below. We look forward to your participation in our show.
