

2007 South Texas Section Scholarship Winners

**\$19,200 to was awarded April 19, 2007 at Honors & Awards Evening
From the South Texas Educational Fund**

**STS Scholarships: \$1100 to undergraduate students
Hugh Scott Cameron Award: \$200 to undergraduate going on to graduate
school in engineering**

A&M College Station Mechanical Engineering

Cameron: Haytham Borhan

STS: Johnathan Yazdani, William Arthur Minter, Jr.

A&M College Station Mechanical & Manufacturing Technology

Cameron: John Cox

STS: Jason Allen Higginbotham, Christin Nicole Neichoy

TAMU Galveston

Cameron: Myoungkeun Choi

STS: Matthew Woods, Graham Monahan

UH Mechanical Engineering

Cameron: Niles Hlavacek

STS: Rodrigo Feliu, Joao Paulo De Almeida Poupard

UH Mechanical Technology

Cameron: James Beck

STS: Tatjana Brestovac, Martin Prado

Prairie View A&M Mechanical Engineering

Cameron: Kennetha Wiggins

STS: Aaron Toles, Aris Poerwanto

Rice Mechanical Engineering

Cameron: Paul Boyle

STS: Laura Campo, Lindsey Edwards

Science-Engineering Fair Awards - to High School Students

Award: \$150.00 + ASME plaque

**Materials – “Which Common Metals Yields the Highest Tensile Strength”
Glen Gill – Clements High School – Fort Bend School District**

**Heat Transfer – “Steady State Heat Flow Conditions”
Parul Kapur – Hightower High School – Fort Bend School District**

Design – “Harnessing Waves”

Ryann Rupp – Ball High School – Galveston School District

Heat & Methodology – “Measurement of 3D Heat Distribution”

Tanaya Mandal – Hightower High School – Fort Bend School District
