

ASME South Texas Meeting

Thursday, October 18th, 2018

Program: "Ancient Engineering meets a 'Modern-Day' Indiana Jones: An Evening with Dr. Sam""

Speaker: Dr. Sam Osmanagić, PhD, CEO, MET Company, Inc., Houston, TX

Semir Sam Osmanagić, a Bosnian-born, Houston resident author, and discoverer of the Bosnian Pyramid Complex, returns to discuss the continued exploration of the complex near Visoko, Bosnia approximately 10 years after he first discovered it. The ancient pyramidal complex consists of five colossal stone structures in the shape of the pyramid with an extensive pre-historical underground tunnel network. He has established non-profit and non-government "Archaeological Park: Bosnian Pyramid of the Sun" Foundation to pursue the excavation and geo-archaeological work.

Sam Osmanagić authored and narrated 12-episode documentary "Search for Lost Civilization" for the state Bosnian television which was based on his book: "Civilizations Before the Official History." He is a Foreign Member of the Russian Academy of Natural Sciences, one of the most respected scientific institutions in the world.
